Sat, 16 Jun 2018 13:57:00 GMT - The Great Recession was a period of general economic decline observed in world markets during the late 2000s and early 2010s. The scale and timing of the recession varied from country to country. In terms of overall impact, the International Monetary Fund concluded that it was the worst global recession since the Great Depression in the 1930s. The causes of the recession largely originated in ...
