Mon, 07 May 2018 15:56:00 GMT - Successful people don't try to do everything. They learn to focus on the most important tasks and make sure those get done. They eat their frogs. There's an old saying that if the first thing you do each morning is eat a live frog, you'll have the satisfaction of knowing you're done with the worst thing you'll have to do all day.

### **From Berrett Koehler Publishers: Eat That Frog! -**

- morning is to eat a live frog, you can go through the day with the satisfaction of knowing that that is probably the worst thing that is going to happen to you all day long. Your "frog" is your biggest, most important task, the one you are most likely to procrastinate on if you don't do something about it.
