portrait photography pdf -

Fri, 22 Jun 2018 06:19:00 GMT - Portrait photography or portraiture in photography is a photograph of a person or group of people that captures the personality of the subject by using effective lighting, backdrops, and poses. A portrait picture might be artistic, or it might be clinical, as part of a medical study. Frequently, portraits are commissioned for special occasions, such as weddings or school events.

Portrait photography - Wikipedia -

Wed, 03 May 2017 23:57:00 GMT - Portrait photography is a popular commercial industry all over the world. Many people enjoy having professionally made family portraits to hang in their homes, or special portraits to commemorate certain events, such as graduations or weddings. Since the dawn of photography, people have made portraits.
